

AGREEMENTS 1512

DRUG AND ALCOHOL TESTING 3RD PARTY ADMINISTRATION

QUESTIONS AND ANSWERS

November 13, 2009

Question 23:

The RFQ lists "Blood Alcohol and Urine Alcohol" and request fees.

Would these tests be expected for "after hours collection related to post-accident protocols for non-DOT employees" or for a broader scope of employees?

Response to Question 23:

NO. Only if USDOT makes it a requirement. Currently we only utilize EBT testing

Question 22:

The RFQ states:

Question 2.B.1.g: Payment timeframes and procedures to referral labs.

Do you want to know how quickly we pay our vendors, including referral labs? Also, do you want to know the process from the time of collection to the result being reported by the referral lab?

Response to Question 22:

Yes to both.

Question 21:

The RFQ under Consultant Services Required states:

Question 2.B.1.d: How do disclosures occur (i.e. web base reporting, tracking systems, etc)?

Do you want to know what the name of the software program we use to report and track or do you want to know the process from time of collection to reporting the results?

Response to Question 21:

Please provide the name of software and associated software if used as part of the process.

Question 20:

The RFQ under Consultant Services Required states:

3. Assure mobile on-site collection availability for statewide coverage.

Would this be required for after hours collections, for routine collections or both?

Response to Question 20:

Routine collections.

Question 19:

What are the 6 DOT and non-DOT testing pools as DelDOT defines them?

Response to Question 19:

DelDOT only has two testing pools, FMCSA (DOT) and DelDOT (Non DOT).

Question 18:

How many employees will be covered by this RFQ (how many DelDOT employees)?

Response to Question 18:

Approx 800 DelDOT employees

Question 17:

Can positive results be reported as "pending" to a contact at DEL DOT simultaneously to contacting the employee with the results?

Response to Question 17:

No

Question 16:

Under Expression of Interest Requirements (D. Company Information - (e) Resumes of 5 key persons - should they all be physicians or can they be nurse practitioners or RNs?

Response to Question 16:

They should represent the key personnel that will be providing the service. For doctors and RN's, we just need them identified by name as such, and show experience dealing with federal drug testing programs.

Question 15:

Under Expression of Interest Requirements (C. Project Organization Chart - is this chart to address the work flow process or an organizational chart of key people??

Response to Question 15:

This chart should be an organizational chart of key people that would be used to provide our services.

Question 14:

Are there DeIDOT headquarters/offices where After-hour drug screens can be performed as opposed to coming to a Christiana Care location?

Response to Question 14:

No, Must have 24 hour/7 day DOT compliant collection sites in all Delaware counties, (New Castle, Kent, Sussex) for drugs and alcohol.

Question 13:

How many specimens are there daily per location?

Response to Question 13:

Information not available at this time

Question 12:
